

Beautiful Family Home with Large Pool-Sized Yard!

This is a beautiful home in a great neighborhood! Desirable location on the corner lot of a cul-de-sac street. There are 5 bedrooms and 3 bathrooms – with a full bed and bath downstairs. Inside you'll enjoy the spacious open floor plan, with 2,865 sqft of living space. There's a fabulous gourmet kitchen with dual ovens, a center island with a breakfast area and a walk-in pantry. The master suite is roomy, with a huge walk-in closet and views of the Calavera Hills Preserve – the mountain and the lake. You'll enjoy the indoor/outdoor living with a sliding door from the main living area to the large, pool-sized backyard. It's great for entertaining, with a nice patio and the yard is also pre-wired for outdoor lighting. You have access to the Preserve from the cul-de-sac for walking and hiking and you also have an easy walk to the highly regarded Calavera Hills Elementary and Middle Schools. Plus you are close to shopping, freeways (I78 & I5) and restaurants, and the Calavera Hills Community Center.
